EDUCATING, EMPOWERING & EQUIPPING
the Millennial Generation
and Generations to Come!**

Generations and Age

Relating to Millennials:

- Don't be afraid to share openly and honestly with younger generations (this helps build *trust*).
- The Fruit of the Spirit should be on full display among the generations... especially Peace and Longsuffering.
- "Listen" to what younger generations are actually saying... don't just "hear" them.

Relating to Millennials cont:

- Millennial frustrations with the church must be viewed as opportunities to serve.
- Millennial voices must be backed up with lives of integrity.
- With all that Millennials have to offer the church today, we can never stray from the TRUTH.

Suggested ways to keep Millennials involved and excited about church:

- Constant technology feeds (e.g., social media).
- “Excited” Worship (starts with leaders).
- Get “them” involved in services and events.
- Prayer, Fasting, & Word (unleashes the *anointing*).

Positions in Church where Millennials do well:

- Sunday School/VBS teachers & administrators.
 - 90% what they learn is when they teach others
- Youth Ministries (staff & teachers).
- Leadership Acceleration Program (LAP)
 - small group studies/teaches to teach others
- Allow to teach Bible Study: youth, women, men, etc.
- Study center/student tutoring.

HOW DO YOU KNOW MILS UNDERSTAND THE APOSTOLIC DOCTRINE?

- Through their witnessing/living.
- Through their *actions* toward false doctrines
 - avoidance
 - willingness to share their belief
- Through their obedience to the Word and leadership.
